

CENTER FOR JUDICIAL EXCELLENCE

Marin County Judicial Forum Event Abstract & Invitee List

The *Center for Judicial Excellence* is convening a public forum titled: **Marin Judicial Forum: A Community Dialogue**. The Forum will be held at Olney Hall at the College of Marin on September 27, 2006 from 7:00 to 9:00pm. The goal of the Forum is to educate the Marin community about their Courts and encourage an ongoing dialogue between the Marin County Superior Court, Marin-based legal organizations and Marin residents.

The *Center for Judicial Excellence* and Forum co-sponsors invite all members of the Marin community to this inclusive forum to discuss the most pressing issues, learn from one another and seek new ways to work together to strengthen our judicial system in Marin County.

The Marin Judicial Forum will be comprised of a brief introductory presentation by the *Center for Judicial Excellence*, 5-minute introductory statements by the Forum panelists and a structured Question & Answer session moderated by a League of Women Voters representative. The Question & Answer session will invite the audience to submit written questions to the moderator, who will then pose select questions to the members of the panel. We welcome suggestions about our agenda, and input from our confirmed panelists.
