RE: September Public Forum

Sent Via Fax to 415-473-7897 on August 2, 2006

Dear Judge Duryee & Ms. Turner:

The Center for Judicial Excellence (CJE) is planning a public forum for the end of September and, per our earlier correspondence with you, we would like to coordinate the timing of our event with an opening in your busy schedules.

We plan to host an evening event, open to the Marin community, during the last two weeks in September. We will make every effort to plan the timing of our event according to your availability **between September 18 and September 29, 2006**. Please let us know if you have any openings in your schedules during this time period. We were disappointed that you were not able to attend our Brown Bag Briefing on May 31, 2006 due to scheduling conflicts, and we sincerely hope that you will be able to attend our Public Forum in September.

We look forward to hosting an open and meaningful public discussion with you. Please let us know of your availability by sending a written response to the address below or by calling 415-267-6149. Thank you for your thoughtful consideration of this request.

Sincerely yours,
